Before the event, we will shape the format with you, leaving space in the agenda to consider the progressing of ideas. Expect a mix of lively activities, e.g. World Café to Conversation Hotspots, Mapping the Landscape, and Spiral Inquiry. Each helps ideas come alive, sparks curiosity, and moves us towards progress.

TRAVEL WITH FRIENDS - HELP THE ENVIRONMENT

Land aan Zee is situated in Zeeland, in the South of the Netherlands. The biggest hub airport is Amsterdam; Rotterdam is the nearest and Eindhoven is also a possibility. There are ferries available to Amsterdam and Hook of Holland from UK.

We will help you arrange shared travel from your arrival point in the Netherlands. Many people choose to team up for a car or taxi, and we make that easier to coordinate. Your welcome notes will also include simple guidance on sharing options and public transport.

INVEST IN YOURSELF

- **Early Bird single room: €960** (includes VAT, **four nights in an en-suite room**, your contribution to the use of facilities, three meals per day, and refreshments at breaks).
- **Shared double room: €820 per person**, (includes VAT, **four nights in a twin en-suite room**, full board, your contribution to the use of facilities, and refreshments at breaks). Please find a partner to share with you before booking, the organisers cannot find a partner for you.

There are 26 places available at Land aan Zee, encouraging an intimate and impactful experience with the whole venue dedicated to this event.
